7 February 1951

MEMORANDUM FOR: DEPUTY DIRECTOR (ADMINISTRATION)

SUBJECT: Invention by Employees of CIA

25X1A

1. [REDACTED] was designated representative to the Inter-Agency Patents Board. Since Executive Order 10096 requires issuance of instructions, he suggests the attached as an interim provision, similar to the military agencies, until the Board makes its final findings.

2. I recommend issuance.
